Dear Judge Swain:

We represent the defendants Maroon Entertainment, Inc. and Mariah Carey (collectively, "Defendants") in this matter, and write jointly with counsel for Plaintiff to advise the Court that this matter has been resolved in principle and to respectfully request that the matter be stayed pending full resolution, which the parties anticipate occurring within the next thirty (30) days.

We thank the Court for its consideration of this matter. Should the Court require anything further, we remain at its service.

Respectfully Submitted,
