Obituary

Chadwick Boseman transitioned on Friday, August 28, 2020 in Los Angeles, CA after a four-year battle with colon cancer. Simone (wife), Carolyn (mother), Leroy (father), along with Derrick and Kevin (brothers) extend their gratitude to all for the saluted prayers and the warm words of encouragement during this time. The family has decided to celebrate the life of Chadwick through a private service for family only. We hope you understand and respect the privacy of the family. In lieu of flowers, the family is requesting donations to be made to the Chadwick Boseman Foundation. Information will be made available at a later date. The family is receiving visitors at their home by appointment only. Please email thebosemanfamily@gmail.com to make an appointment. Thank you.
